# Gynaecology Nursing Service

Information for patients

Your Key Workers are:

Sarah Noblet & Susan Slaney

Clinical Nurse Specialist

Phone: 01270 612454

## Who can use this service?

This service is for any woman who has a confirmed or suspected cancer of the cervix, ovary, uterus, vagina or vulva. Support is also available to relatives and carers.

The service is also available for other health professionals to access for information.

## Where can you see the Gynaecological Nurse Specialist?

- On the wards
- Based in Gynaecology Outpatients Department (Ward 25) at Leighton Hospital

## How to make contact

**Gynaecological Nurse Specialist**  
Gynaecology Outpatient Department  
Leighton Hospital  
Middlewich Road  
Crewe, Cheshire, CW1 4QJ

Direct Line: 01270 612454 (24 hour voicemail)

Monday to Thursday 8.00am – 5.00pm  
Friday 8.00am – 1.30pm  
(excluding bank holidays)

When the nurse is not available to take your call, voicemail will take your message. This will be answered and responded to, although it may be the following day.

## What is a Gynaecological Nurse Specialist?

This is a nurse who specialises in the care of women with gynaecological cancers and their families. She is a member of the Multi-Disciplinary Team (MDT) which is made up of professionals who are all experts in cancer.

The Gynaecological Nurse Specialists at Leighton Hospital are Sarah Noblet, Susan Slaney and Michaela Onoflo.

## What does the service provide?

The Gynaecological Nurse Specialist provides information, education, advice, and support for women, their families and carers from diagnosis onwards. Areas covered:

- Different types of gynaecological cancer
- Investigations and treatment options
- Written information on planned procedures
- Coping after surgery
- Hospital and community serviced
- Advise on sexual problems
- Referral to specialist services such as lymphoedema clinic and palliative care teams

The Gynaecological Nurse Specialist is able to contact any member of the MDT who are involved in your care.
