

Who to call?

Monday to Sunday, 9.00am – 5.00pm

For advice or any concerns, if you think you are in labour or your waters have broken please call your Named Midwife.

If your Named Midwife is off duty, your call will be directed to a Buddy Midwife in the team.

If your concern is urgent and you are unable to get in touch with your Midwife, please call Triage on 01270 273116.

Monday to Sunday, 5.00pm – 8.00am

For any concerns, if you think you are in labour or your waters have broken please call:

Midwifery Led Unit on 01270 278063
or Triage on 01270 273116

When calling in labour please tell the Midwife you speak with that you are being cared for by the Oak Team.

Please refrain from contacting your Midwife after 6pm – this is to ensure we are available to care for women in labour. Once your labour becomes established your Midwife will be contacted to care for you wherever you choose to give birth.

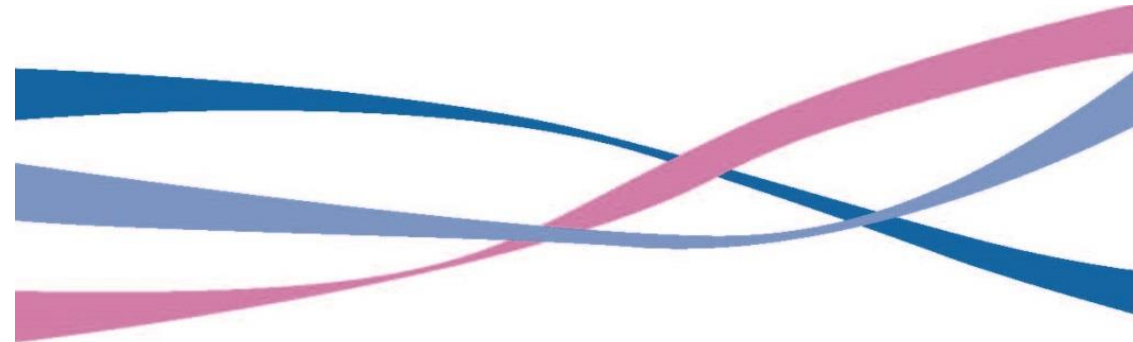

This leaflet is available in audio, Braille, large print and other languages. To request a copy, please ask a member of staff.

“Mighty oaks from little
acorns grow”

Welcome to Oak Team!

Congratulations on your pregnancy and welcome to Oak Team. We are a team of 6 midwives working together to provide maternity care 24 hours a day, 365 days a year for the women in our caseload.

Our aim is to provide you with personalised midwifery care, and enable you to develop a relationship with a small team of Midwives that will care for you throughout your pregnancy, birth and postnatal period.

Your team will consist of a Named Midwife who will be responsible for coordinating your care, and Buddy Midwives who you will be given frequent opportunities to meet. We hope that when you go into labour you will know the Midwife supporting you through your birth.

Once you have had your baby, the team will continue to care for you until you are discharged into the care of your Health Visitor.

We look forward to caring for you and your family,

Oak Team
